Foodstock NJ is a grassroots 501c3 organization that has been formed to assist with the needs of our less fortunate community members who are struggling to put food on their tables. This successful effort began in 2010 with a small food drive event and over the course of the years that followed we have collected over 275,000 pounds of food and raised over \$90,000 in cash donations! These efforts have greatly benefited local food pantries which have come to depend on the great work of the Foodstock organization. In this, our sixth year, we have raised the bar again, setting goals of collecting 100,000 pounds of food and another \$30,000 in monetary donations.

We would like to invite you to become involved in our mission to help the truly needy people living around us. Understanding your commitment to our community, we are hoping that you will be willing to contribute any of the following to our efforts, or perhaps propose another donation that might be more suitable to your budget.

Suggested donations:

- Non-perishable food donation to reach our 100,000 lb. goal
- Tax-Deductible monetary donation to our cause
- Foodstock Event t-shirt sponsorship (\$250 or \$500 sponsor)

To help encourage you to donate, and as a thank you for doing so, we are holding our annual Foodstock collection event. On October 13, 2016 from 1:00 to 7:00 p.m. on the grounds of the Freehold Township Firehouse, on Stillwells Corner Road, we welcome you to come and enjoy a fabulous day of music food and fun. We ask each attendee to provide at least 50 lbs. of nonperishable food and in return we will deliver an event that will feature a succession of bands a bountiful barbecue, a beer and wine bar with water and soda for the young ones, and endless fun and games. The event promises fun for your entire family.

Thank you in advance for considering being a part of our effort. Many families will be touched by your contribution. We look forward to seeing you on October 13th.

With our client base increasing at such a rapid rate each month at Lunch Break, we are blessed to have the support of Foodstock to help replenish our shelves. Foodstock has been an amazing supporter to help us feed those in need throughout Monmouth and Ocean Counties and we depend on their yearly support to deliver thousands of pounds of food after their event.

We need more neighbors helping neighbors like the Foodstock organizers and they need your support in order to continue their good work."
