Hi Friend~

I know we all have causes that we work to support, and I truly hope that if you reached out to me for support of the cause nearest to your heart that I was in a position to help, and did. I have been working with a group of my neighbors in Freehold who have been working since 2010 to support our area food pantries. These devoted citizens have been so diligent in their efforts that their successes have drawn them to the next level and **Foodstock NJ** is now a registered 501c3 charitable organization. I invite you to visit www.foodstocknj.org to learn in greater detail about the organization, who they help and how you can help us.

Foodstock collects and delivers food to area food pantries throughout the year. To support its efforts, Foodstock holds 3 events each year. The flagship event, bearing the group's name, will be held on October 13, 2018. This is **Foodstock's** major food collection event. I am writing to you today to encourage you to join us on October 13 from 1:00 – 7:00 pm on the grounds of the Freehold Independent Firehouse #1 on Stillwells Corner Road in Freehold. There is no cost for entry, but each attendee is encouraged to bring at least 50 pounds of nonperishable food. The event will feature a succession of local bands, a bountiful barbecue and a beer and wine bar with water and soda for the kids. There will be endless fun and games and will be a great afternoon for the entire family.

Thank you for your consideration, and hopefully your support, of this very worthwhile cause. I am hoping that you will join us at Foodstock 2018 because the cause is worthy of your time and your donation, but even more so because I enjoy your company and welcome the opportunity to spend some fun, quality time with you.

Please give me a call if you have any questions
